Expect short stretches with tree roots or uneven stones, and some mud if there is much rain. Start and finish is in Old Bilton, north east edge of Harrogate, about 40 to 45 mins. drive.

Those who wish could lunch in any one of three cafés by the river in Knaresborough; otherwise it's a packed lunch by the river. Please be prepared to share cars.

All Saint's Church Ilkley Recruitment—Education And Activities Coordinator (Heritage)

This post is 0.4 fte (2 days average per week - flexible hours) for 3 years

The salary is £600 per month, being based pro-rata 0.4 on an annual full-time salary equivalent £18,000

The role is to assist with the planning and then ensure the delivery of a varied and engaging programme of community and education activities.

All Saints' Ilkley has received support from the Heritage Lottery Fund (HLF) for our project to tell the stories of the Parish Church, Saxon Crosses and Roman Fort.

The project aims to improve access to and open up the interior of the church to reveal the exciting heritage within. The grant, combined with generous fundraising, has enabled the capital works to progress with a completion date anticipated in a few months' time.

We are preparing exciting displays, guided walks and digital media to interpret more than 2,000 years of history. This will enhance Ilkley's offer to visitors to the town, and be a basis for an educational programme for schoolchildren and students.

Closing date, 12:00noon 1st March 2019. Interviews week-commencing 11th March 2019 Details on the café noticeboard.

Prayer Topics This Week

1. Please pray for the six people from Christchurch who are going to help with a project in Cambodia leaving on the 23rd March. They are going to an area along the edge of the Mekong Delta in Phnom Penh where there are hundreds of shacks packed together which provide shelter to many families, who struggle day to day to make a living. In recent years families have been thrown out of these shacks. The rubbish tips which stretch for miles around them are their only source of income. Mission Direct and Pastor Sara's. Fellowship of Hope, are helping to build houses, and a class room in a remote village, this is what the team shall be helping with. They plan to visit and support further projects in Phnom Penh, one will be washing children's hair in the slums. May they be blessed through this work and in turn be a blessing to the people they meet and with whom they work.

2. Please pray for the new people still moving in to the new apartments and Mayfield nursing home in Ilkley. May they quickly feel at home here.
